Help support missions by attending a mission rally.

Cross-stitch is the unifying network for these mission rallies, connecting the circuits into a synod-wide organization, coordinating the offerings for maximum blessing to the missions. Much as individual congregations are clustered into regional circuits and all together are members of our synod, so also the various local and circuit Women's Mission Societies are under the umbrella of *Cross-stitch* for the sake of good stewardship and efficiency.

This year's *Cross-stitch* projects include:

\$10,000	Orphans in India
\$ 2,500	Women's Scholarships in Peru
\$ 5,000	Home Mission / Evangelism Outreach
\$ 2,500	Food for Amazon Lutheran High School
\$ 2,500	English-as-Foreign Language Program in Chile

"How could our small (congregation, Sunday school, preschool or day school) possibly make a difference?" The Sunday school children of Our Savior Lutheran Church in Naples, FL, are offering all the congregations in synod a why. Your church has received a short video, information and flyer as part of their campaign to involve the Youth of our synod in a meaningful way that of supporting orphan children in India. Help your church join in this cause.

Please share with others the "**GREAT**" ideas your church has used/is using for promoting mission work throughout our synod and the world.
