Cross-stitch 2019 Goals

This year Cross-stitch will continue to focus on providing the proper nutrients for the children in our foreign missions, providing scholarship assistance, while also supporting the needs of our home missions.

Total Cross-stitch budget for 2019 - \$35,000

1. Indian Orphans \$20,000

The Lutheran Mission of Salvation India has 16 “orphan homes” with some 300 children. The government was threatening to shut down these homes if the amount of protein for the children was not increased. They were receiving *one egg and one piece of chicken per week*. For the past 20+ years, Cross-stitch has sent \$10,000 a year for the children’s needs. With doubling our Cross-stitch donations, the extra protein was added to the diet. This, of course, is now an ongoing need.

2. Jungle School food program \$5,000

Cross-stitch has been assisting in a food program at the Amazon Jungle Lutheran High School that allows the students that come from far away villages to have a nutritious meal. Our schools are competing with government schools that provide three meals a day. In 2019 we hope to increase our funds for our jungle schools so that they can offer the nutrition needed for the students.

3. Home Missions \$5,000

Grace Lutheran Church, Lincoln, Illinois, wants to increase its ability to reach out into their community. Their real work will begin as they increase their outreach efforts in Lincoln and the neighboring areas. With the funds that Cross-stitch has proposed, Grace Lutheran Church will host Outreach events, and advertise to get the word out that they are in town and preaching the Good News.

4. Indian Scholarships and repairs \$5,000

Our “help” comes from you! Thank you for your support.
