### **“Dealing with the Overflow” – Part 2**

Because of your generous support in 2020,

***Cross-stitch***

was able to provide **\$9,000** to the Latvian Lutheran Church to help them with outreach in their country.

Luther allegedly said, "Even if I knew that tomorrow the world would go to pieces, I would still plant my apple tree." Here in **Riga** we want to do just that: to plant something new. Our “apple tree” is a vision of a new congregation in downtown Riga. In these challenging times people need the gospel more than ever. And, with God’s help, we want to create a new, welcoming fellowship center where people can gather around the Word. Our “apple tree” would be both a preaching station and an educational center providing catechetical courses and lectures, apologetical talks, and similar discussions introducing the faith. One of the possible names for our endeavor is **“Dieva Dārzs” (God’s Garden)**. It is our sincere hope and prayer that the Lord would work through us, so that this garden could be blessed with many new plants, newborn God’s people, who can grow and flourish in becoming true “oaks of righteousness” (Isa. 61:3).

**Please pray for the Latvian Lutheran Church and for the success of “God’s Garden.”**

**Please read all of Pastor Sildegs’ attached letter. “Gods Garden”**

*Wishing you God’s richest blessings this Easter*
