“We Just Say Thank You”

8:3

God gives and gives and gives.
We say thank you.

“Dealing with the Overflow” – Part 3

Because of your generous support in 2020,

Cross-stitch

will be able to help support, **David Choi**, as he begins to do missions work in Eastern Asia.

David Choi was born and reared in northeastern China, which shares a border with North Korea. He earned a bachelor's and master's degree in communication. After working for two years at a telecom company, he went to South Korea and became involved with Seoul Lutheran Church. Rev. Young Ha Kim, encouraged him to pursue his interest in becoming a Lutheran pastor. He enrolled at Bethany Lutheran Theological Seminary in Sept. 2016 and graduated **May 5, 2021**.

My mission work will be in East Asia, starting a new mission for Korean-Chinese. Planting the churches, training and teaching more church leaders there.

Keep David and his upcoming work in your prayers!

Wishing you God's richest blessings
