support for our Home Mission  
in San Angelo, TX

Pastor Peter Heyn writes:

I want to thank you for your generous gift for a new laptop. It will be very helpful in making my work go quicker and more efficiently as we work to share the good news of salvation.

We enjoyed a busy Christmas season hosting a Christmas for Kids event. We had a wonderful turnout from the community, and one of the families has been joining us for worship. We are now working on smaller events and including midweek Lenten services and Easter events. Please keep us in your prayers as we do all we can to share the Living Water of salvation in Jesus with San Angelo.

Thank you again for your donation! If and when you find yourself in San Angelo, please stop by and visit.  
We'd love to see you!
